Cookie duration

The duration of the cookie is set to 45 days. This means, if a user comes to our site via an affiliate link and purchases something within 45 days, the affiliate who referred the user will receive commission for it.

How do we know that the user comes from your page?

The banners are generated with a particular ID for each affiliate. Our system thereby registers the origins of users who come from affiliated pages, indicating the page of origin and the date of registration.

What sort of websites is the affiliate program for?

All websites are welcome to join the Erika Lust affiliate program.

How much does it cost to become an Erika Lust affiliate?

Not a single cent. Becoming an affiliate is totally free. There are no enrollment fees, and there are no transaction fees when you receive your commissions.

Does the banner installation require advanced web design knowledge?

No. Adding the banners is very simple and they are all pre-designed by us, ready to be uploaded to your website. You only have to copy the banner code from the affiliate control panel and paste it into the available publishing space on your page.
